

Crèche: There will be a crèche available for part of the day. We will take bookings prior to the event and you will be contacted at the end of May with details. You **MUST** book your place as we have limited space.

There will also be activities for older RTS individuals and siblings. Again details will be confirmed at the end of May and you will be able to book your place(s).

Research: Professor Chris Oliver's team from Cerebra will be supporting the event.

Family Q & A: This will be your opportunity to share information with other families, gain the answers to question you may have. Siobhan Lund, RTS Support Group Chair will chair this session. Please take part in this relaxed and informal session. Have you a problem that other families may have experienced? If so, they will be able to help you.

Tombola and On the Day Raffle: These will take place during the day.

Photographs: Simon Aldred and Laura Kingsbury will be joining us once again to take photos. You will have the opportunity to have some wonderful photos taken throughout the day. There is no charge and after the event you will be able to download your photos. **Please note however that the RTS Support Group will use photos taken throughout the day for use on our website, newsletter and publicity. If you DO NOT wish photographs to be used of you or your family you MUST make this known to Maxine Aldred either prior to the event or on the day and we will ensure that you are not involved in any photo sessions.**

RTS Has Talent and Celebration of Achievements: Every small step our RTS individuals make is a major achievement and we want to celebrate. We will have a presentation show at the beginning of RTS Has Talent session. If you take a look at the latest newsletter you will see the "Wow – we are so proud" page. This is what we are looking for. Snippets and a photo(s) of the great things that are being achieved. We will introduce this going forward into every event and every newsletter to ensure we recognise these successes.

We also want to recognise our wonderful siblings. We will also have a presentation during this session. Having such an important place within the family unit, we want to showcase our siblings – young and old – and thank them for all the support they give to their brothers and sisters. Please send snippets and photo(s).

Snippets and photos to Maxine Aldred, Event Co-ordinator via maxinealdred@hotmail.co.uk.

I hope that I have covered everything in this letter, but please do not hesitate to contact me if you have any queries. Details of speakers, etc will be posted to our website (www.rtsuk.org) once confirmed. Further information regarding crèche booking will be sent via email to those families booking for the day.

The RTS Support Group committee look forward to welcoming you to the Holiday Inn Hotel on 15th July.

All the best.

Maxine Aldred, Event Co-ordinator
